

CONDOLENCE MESSAGE

Like countless Indians, the entire MIT family is deeply pained to learn about the sad demise of Prof. Yash Pal. We are actually lost in remembrance of his fond and close association with us, particularly, as an esteemed member of the Selection Committee of Bharat Asmita National Award, right from the day it was incepted in 2005. Despite physical discomfort of his advanced age, he remained keen on personally participating at our activities till very recently. This reflects on his strong head, warm heart, social sensitivity, rare humility and his unshakable trust in our efforts.

The greatness of his towering character lied in the fact that he was never influenced by any credit and claim for his brilliance. Indeed, the nation has lost its great patriot and patron. His legacy will live on and will inspire the successive generations. His rich contributions to Science & Technology and Indian Education System, shall continue to guide India.

At this moment of sorrow, the Founder & Executive President, Prof. Dr. Vishwanath D. Karad, the Vice President Shri. Rahul V. Karad, Board of trustees, Management, Staff and all the students of MAEER's MIT Group of Institutions, express deep condolences at this irreparable loss.
